

CHARLOTTE APPLIQUE

DESIGN BY **DORIANA AND MASSIMILIANO FUKSAS**

January 2019

Charlotte Applique is created from a world of illusion, from the challenge of turning a two-dimensional element into infinitely multiplying shapes.

The reflective surface hides the potent light source within this wall lamp, illuminating the concentric hexagons that define Fuksas' entire collection.

Charlotte Applique is fully handcrafted of Cristalflex®, and has a combined hanging system: a single version (similar to a picture frame) for anyone who wants to avoid drilling holes in the wall, and additional anchors for security.

The collection also includes a floor lamp and three other suspension sizes.

- APPLIQUE -21 cm x 12,5 cm x h 32 cm (8-1/4" x 5" x h. 12 -1/2")
1 X 10W LED Filament E27 or E26
