

## Doorbell Cordless

JBXD103

Plus X Award | 2006

Award winning, cordless doorbell with five specially composed tunes in high sound quality. The tune is set on the individual bell push for the convenience of assigning up to five different tunes to each one, making it easy to identify which doorbell is ringing. The sound level can be set to high/low or off. Lights on both the chime and the bell push will illuminate when the bell is activated or the batteries need changing.

The doorbell is supplied with one bell push and batteries. Alternatively a plug-in main adaptor can be connected to the chime.

One single chime can operate with an unlimited number of bell pushes which are available separately. The chime can be free-standing or mounted on the wall by means of the enclosed fittings. The maximum working distance between the chime and the bell push is up to 150 metres and a coding system ensures that there is no interference to or from any nearby cordless product.

<b>Features:</b>	Cordless Doorbell.
<b>Maximum no. of Bell Pushes:</b>	Unlimited.
<b>Frequency:</b>	433 MHz. A personal code is set by four keys in order to secure interference from other cordless products. IMPORTANT: The code for Chime and every Bell push must be identical.
<b>Transmission range:</b>	150 meter in free sight.
<b>Tunes:</b>	Five specially composed tunes (clear polyphonic tones) - including a low-frequency tune, designed especially for the hard-of-hearing.
<b>Volume:</b>	High, low or off.
<b>Light:</b>	Flashes when someone is ringing. Can be set to on/off. Always flash at low battery.
<b>Mounting:</b>	Chime: On wall or free standing. Bell push: On wall or door frame (Bell push is weatherproof).
<b>Power source:</b>	Chime: six AA batteries. Bell push: two Lithium CR2032 batteries. Power connection is possible (adaptor type 6V DC min. 400 mA. Not included).
<b>Weight - Chime:</b>	400 g
<b>Dimensions - Chime:</b>	112 x 36 x 178 mm
<b>Weight - Bell push:</b>	58 g
<b>Dimensions - Bell push:</b>	41 x 24 x 90 mm
<b>Material:</b>	ABS, PMMA, steel
