Enhanced Lock  
Double Claw Bolt

Intrusion Prevention  
Infrared Ray Sensor

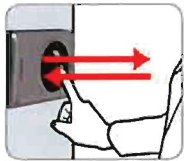

## Enhanced Security

### Enhanced Lock/Double Claw Bolt

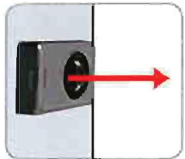

The addition of double claw bolts is a further measure to prevent forced intrusion, ensuring your safety.

### Intrusion Prevention/Infrared Ray Sensor

The door can not be opened even if the Open/Close button is pressed inside unless the sensor detects inside movement.

[When break-in happens]  
When the door is unlocked from the inside without sensing any movement inside, the door will not open.

### Double Authorization Mode/Both Smart Card&Password

With double authorization mode set up, both password and card must be authenticated to open the door, strengthening security.

### One Button - One Touch/Anti-theft Setup

When leaving, the user can set up the anti-theft function by simply pressing the button, preventing any tampering by creating a warning sound.

### Fingerprint Marks are No Longer a Concern

Passwords will be pressed after press two multi-leveled security codes, preventing intruders from checking the fingerprint marks left.

2 multi-leveled security codes appear before entering password

Press the password

Impossible to guess password due to random fingerprint mark

## Convenient Accessibility

### User Access Code

### RFID Card or Key Tag

## User-friendly Interface

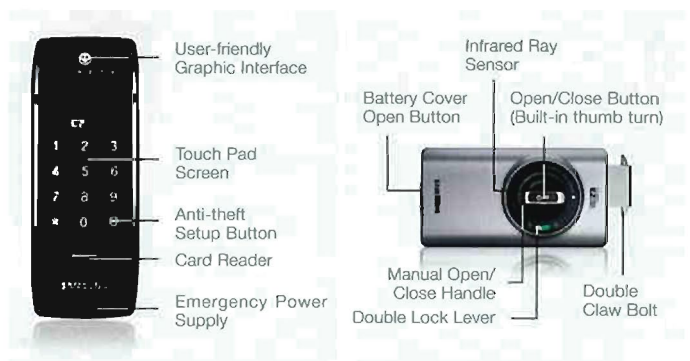

### User-friendly Graphic Interface

Using and managing the doorlock system is easier than ever before with simple icons indicating the relevant status.

- Low Battery Indicator
- Double Lock Mode
- Authorization/Setup Failure
- Authorization/Setup Success
- Intrusion/Fire/Security Breach Incident
- Word Count of Password Entered

## Body Part Names

## Specifications

Product	RF Card	Module Type:RFID (ISO 14443A/13.56MHz RF chip/2 pieces) Capacity: Maximum 20
	User Access Code	Combination: 4-12 Digit Number Combination
	Material	Outer body: Aluminum, Acrylate and Nitrile Butadiene Rubber Inner body: Aluminum, Polycarbonate, Acrylate and Stainless Steel
Power	Power	DC 6V (4 AA Alkaline Batteries)
	Size	Outer body: 65.2x170.5x22.5mm(WxHxD) Inner body: 182x90x86mm(WxHxD)
Installation	Backset Size	207x260x86mm(WxHxD)
	Hole Size	32mm
	Lock Set	Claw Type Deadbolt
	Compatible Door Thickness	38mm-52mm
